## HEALED: Part 3

### Encouragement

THIS IS FOR YOU

Pastor Lavon said that we may have been hurt by a church, but not by The Church. This distinction is crucial. One of our responsibilities as leaders is to lead by example when it comes to honoring and loving the Bride of Christ. Before your group this week, spend some time setting your "Church Hurts" at the feet of Jesus. If you need anyone to chat with, please reach out. This conversation can easily turn into gossip or dishonoring previous churches, church leaders, etc.. Let's guard our hearts, the hearts of our group and the hearts of The Church. We are praying for you and your group to experience SOZO this week!

### Icebreaker

GET TO KNOW EACH OTHER

- Would you rather live where it only snows or the temperature never falls below 100 degrees?
- Do you have any hidden talents?
- Did you grow up going to church or did you start going to church later in life?

### Scripture

WHAT DOES GOD'S WORD SAY?

Instead of relying on one main verse this week, we encourage you to read through these verses together as a group.

Mark 1:40-45 // John 19:30 // Luke 17:1-2 // Matthew 6:14-15 // Ephesians 4:29-32 // Colossians 3:12-14 // John 13:34-35

### Main Points

WHAT ARE THE MAIN TAKEAWAYS?

- You may have been hurt by a church but not by The Church
- Jesus knows what "Church Hurt" feels like because He experienced it
- When you get in the presence of Jesus, "Church Hurt" has no hold on you

### Questions

GET THE CONVERSATION GOING

- Which verse(s) from the message do you find most challenging and why?
- Have you or a loved one experienced "Church Hurt"? Is there someone from "church" you need to extend grace and forgiveness towards who has caused you hurt?
- How has your view of "Church Hurt" been challenged by the message?
