

LIMITLESS

LIVING OUT WHOLENESS

Encouragement

THIS IS FOR YOU

This is our second to last week of small groups for this season, but this week is the last of the LIMITLESS series. Next week we have a standalone message for Palm Sunday. Over the next two weeks we encourage you to do some housekeeping regarding the future of your group (see my last email). Also these upcoming weeks are a great time to present your group members with opportunities to take next steps: salvation, baptism, serving, etc. **Regarding this week's conversation**, be bold!. You have been building trust and connection for 2 months and now you can challenge your group. We challenge you to ask the tough questions this week with love and grace.
